3. Host Club Recommendation

It is important, that you give this sheet to your counsellor, because without the recommendation you cannot join the trip.

4. Passport

Mail your **original passport** to the Travel Agency (address at the end of this letter)! The passport must be valid at least 6 months after the trip. The Russian authorities grant visas to original passports only. They do not accept passport copies. Therefore you need to mail your original passport. You will get your passport (and the visa stamped in it) back in the bus to St. Petersburg. So far any passports have not been lost in the mail. If you want, you can mail your passport as a registered letter (“kirjattu kirje”). See contact information below!! In this case the Finnish post office takes full responsibility of your letter. **In any case mark your name and host family address clearly in the top left corner (sender corner) of the envelope.** This helps a lot if your letter needs to be tracked in the mail. If you need your passport before the trip, you can ask it from the Travel Agency. The Travel Agency will, however, charge you 15,00 eur handling cost for the separate mailing.

5. Visa Application (Read carefully info also in a separate information form you have received and asked to fill in)

Fill the separate form (answer all the questions) and send it with your passport to Travel Agency not later than 22th March 2018! (*Attention! Australians 16th of March with a certificate of attending to school in Finland**) Send also names of your both parents!!!**

You have to include one passport photo with your Visa application (see detail below).

Those who does not need Visa for Russia have to send a copy of your passport (not passport) to Travel Agency!!!

Few things to remember when filling your Visa application:

The photographs submitted must meet with these specifications.

Please provide one recent photograph (not more than 6 months old) of yourself. The photographs should be

- Clear sharp quality and with the face in focus.
- Printed on normal photographic paper (camera print).
- Full face, non-smiling (without sunglasses, a hat/cap or other head covering, unless the applicant wears such items because of their religious belief or ethnic background).

Send the certificate to the Travel Agency! It is needed for your visa application.

Rules for St Petersburg

17th March 2018

- Rotary YE rules agreed in every country and undersigned by me before coming to Finland will apply during this tour.
- I will not use alcohol or possess (including beer and cider) during the trip. Use of alcohol will be reported to my sponsoring district, club, host and my own family. Use of alcohol will prevent me from participating future Rotary tours (e.g. Euro Tour).
- I will not use or possess drugs (including marijuana). I know that the use or possession of drugs will terminate my exchange year without warning. I have been warned that the Russian authorities have strict drug policies and they have no mercy for persons caught with drugs.
- I will always go to my own bus. This way the Rotaries can make sure that no-one gets lost. I will be in-time, when my bus leaves.
- I will not change my room in the hotel. I will be patient with my roommate. The trip lasts only three nights.
- I will not leave the hotel without the Rotary staff. This is for my own safety.
- I will be in my room at 12.00 PM in the evening. I will not make noise or move in the hotel corridors after midnight. I will not go to the hotel nightclub.
- The tour program is specially made for me. I will participate it.
- When I am in my room I will always open the door when it is knocked, because the Rotaries or the hotel staff may have important information to me.
- I allow the Rotary supervisors and the tutors to check my bags at any time. Any alcohol found in my bags will be taken away. If drugs are found, the Rotary supervisors have to inform them to the Russian authorities. Bags will be checked after the free time in Nevski prospekt.

I know, that violating these rules will be reported to my sponsoring district, club, host and my own family. It may also prevent me from participating in the future Rotary tours (e.g. Euro Tour).

I have read these rules, understood them and I am ready to follow them.
