

Guide for filling in the application form of the Short-Term Family-to-Family (Homestay) Exchange

In Rotary Youth Exchange, an exchange student that is going to leave for exchange is called an Outbound or OB student for short. This designation is used in this Guide.

You generate your application by entering the necessary information into our YEAH student database program, after which the program will produce your application for us. (YEAH = Youth Exchange Administration Hub). YEAH will advise you step by step what information you need to enter, so there is no need for detailed instructions or manuals to use it. However, here are the main points of the process that we hope will make your job easier.

YEAH will send you some emails at different stages of filling. Because they are sent by a machine, the filter in your email client may redirect them to the spam box. If you don't see messages in your inbox, check your spam box as well.

At the beginning of the third page, you will be asked your Rotary Club. Select the club from the drop-down menu.
