D1390 Autumn camp for IB-students 14th–16th October 2022 (Friday – Sunday) at Koivuniemen leirikeskus, Jyväskylä

Dear Exchange Student in Rotary District 1390!

You are welcome to join our district's weekend camp which is a part of your exchange program. The camp is an opportunity to meet the other students in our district who you got to know in Karkku. Rotex is mainly running the show and arranging you special program in a Finnish way. We will be spending time outdoors playing some games, sitting by campfire etc. You should take proper clothing with you, the evenings in October are quite cold already – be also prepared for rainy weather. There is a sauna by the lake, offering a chance for a swim for the bravest, so pack your swimsuit too. You will also need a flashlight in the evening! Towels and bed sheets are provided by the accommodation.

The camp starts on Friday, October 14th at 17:30.
The camp ends on Sunday, October 16th at around 14:00.

Koivuniemi camp center is situated about 10 km east of Jyväskylä city center. Therefore, there is a common transportation from Jyväskylä to the camp center on Friday and back to Jyväskylä on Sunday for those, who cannot get back with YEO. Here's the schedule for the transportation:

Friday 17:00 Departure from Jyväskylä Matkakeskus. Rotex are waiting and guiding you.
Sunday 14:00 Departure from Koivuniemi, arrival at Jyväskylä Matkakeskus at 14.30.

If you miss Friday's transportation to Koivuniemi, you are expected to come there by taxi (you will have to pay it yourself). In case of unexpected delay of the bus or train, the transportation will be arranged. As soon as you know about the delay, please inform me immediately.

The costs for the camp including transportation will be paid by your hosting Rotary club. I will send instructions directly to your club on how to do the payment. **However, please check with your club's Youth Exchange Officer that this is taken care of!**

I hope to see you all in Koivuniemi on 14th October. **Please confirm your participation via e-mail to me by 25th of September and answer the following:**

1. Your name.
2. At what time do you arrive at Jyväskylä and which transportation you are using: bus or train (number + arrival time).
3. In case you get a lift to Jyväskylä or directly to Koivuniemi, let me know that too.
4. What is your plan for the home trip on Sunday from Jyväskylä/Koivuniemi.

You're expected to reply all four questions **latest** on 25th of September, but the sooner the better. My email is: arto@ajssoftat.fi.

Hope to hear from you soon,

Arto Jäppinen
D1390 Rotary Youth Exchange Committee Chair
