Only one copy to be completed **after the student has been accepted by District Interview**.
Must be filled out by computer, **handwritten form is not acceptable**.

A CLUB COMMITMENT

The Rotary Club has chosen the below named student to take part in the Long Term Exchange Program and acknowledges all responsibilities included.
The Club is committed to send an outbound student in August and receive reciprocally an inbound student either in August same year or in January next year. The club agrees to all the following responsibilities:

1. Organizes well in advance 2-4-host families for the inbound student..
2. Trains all the host families prior to the arrival of the student.
3. Adds the host family details into the YEAH-database by the beginning of the student's arrival month and keep the data updated at any time.
4. Pays the inbound student a monthly allowance of 90 € per each beginning month and sponsor all the school expenses including transportation.
5. Trains both the outbound and inbound students.
6. Sponsors the inbound student's fee of the orientation camp organized by Multi-district and participation in the District Conference and any youth exchange events organized by the District.
7. Sends annually at least one club member to the District YE training sessions.

In case the arrival of an inbound student is cancelled or the student's exchange in Finland is terminated within one month of the arrival date, the club agrees to accept another student instead from the next group of inbound students. The club agrees to receive an inbound student even if their outbound student cancels the exchange later than in January of the exchange year. In that case the club is allowed to send an outbound student the following year without the reciprocal responsibility of receiving an inbound student.
